52 Uncommon Dates could also be utilized by a seriously dating or engaged couple, but they would have to use discretion because there are a couple of dates that would not

Let's face it, it's hard to come up with unique date ideas that are more than a 'dinner and a movie' date night. This is the typical date night all couples seem to resort to, which is great every once and awhile.

However, sometimes you both are looking for something different. A little more fun and interesting.
