United Kingdom - United Kingdom - Elizabethan society: Social reality, at least for the poor and powerless, was probably a far cry from the ideal, but for a few years Elizabethan England seemed to possess an extraordinary internal balance and external dynamism. In part the queen herself was responsible. She demanded no windows into men's souls, and she charmed both great and small with her ...

A Point Of View: What is history's role in society? - BBC News

History and usage of the term. The term class first came into wide use in the early 19th century, replacing such terms as rank and order as descriptions of the major hierarchical groupings in society. This usage reflected changes in the structure of western European societies after the industrial and political revolutions of the late 18th century.

English society comprises the group behaviour of the English people, and of collective social interactions, organisation and political attitudes in England. The social history of England evidences many social and societal changes over the history of England, from Anglo-Saxon England to the contemporary forces upon the Western world. These major social changes have both internally and in its ...

English society - Wikipedia

The primary motive of British imperialism in China in the nineteenth century was economic. There was a high demand for Chinese tea, silk and porcelain in the British market. However, Britain did not possess sufficient silver to trade with the Qing Empire. Thus, a system of barter based on Indian opium was created to bridge this problem of payment.
