Theo moves to Kenya with his father, an engineer, who was instrumental in pioneering the railway in the colonial world. Now a director, he is to establish a rail network in Kenya in the late 1920s. Theo adores his younger sister, but has a difficult, bordering on an abusive relationship with his mother, who is much younger than his father.

### **An Unsuitable Woman by Kat Gordon - Goodreads**

The term "unfit mother" arises out of the now-outdated child custody doctrine that custody of children should be awarded to the mother unless the mother was "unfit." Today, courts strive to settle on a custody arrangement that is in the best interests of the child, without bias in favor of the mother or father. Still, if any parent, even a mother, poses a danger to the child, the a court can remove the child from the parent's custody.
