### Color Confidence - The Digital Photographer's Guide to ...

The photographers' photographer, Cartier-Bresson had a huge impact on modern photojournalism and its establishment as an art form. His achievements included co-founding the Magnum agency in 1947 and he excelled at documentary, portrait and landscape work. His concept of capturing an event at 'the decisive moment' has been hugely influential.

### The 50 best photographers ever | Digital Camera World

As a guy who spent years in photo school, long before the digital era, I made too many black-and-white photographs—mostly because working in color was expensive and hard to control. I think that most of the 20th-century masters who influenced me at the time—guys like Edward Weston, Ansel Adams, and Minor White—worked in black-and-white ...
