Power And Everyday Practices

"The second edition of Power and Everyday Practices is a crucial addition to writing on everyday life and social power in the best tradition of C. Wright Mills's The Sociological Imagination. It provides crucial tools for developing critical thinking skills and for reversing the gaze so that we centre our critical analysis not on the oppressed as social problems but instead on the social organization of power in the centre, including normality, whiteness, settler colonialism ...

Power and Everyday Practices, Second Edition ...

Power and Everyday Practices is an exceptionally coherent, engaging collection that invites students to take up key conceptual tools for making sense of and intervening in the power relations that shape their identities and their experiences.
