Rites Of Spring The Great

Dazzling in its originality, Rites of Spring probes the origins, impact, and aftermath of World War I, from the premiere of Stravinsky's ballet The Rite of Spring in 1913 to the death of Hitler in 1945. Recognizing that "The Great War was the psychological turning point . . . for modernism as a whole," author Modris Eksteins examines the lives of ordinary people, works of modern literature, and pivotal historical events to redefine the way we look at our past and toward our future.

Rites of Spring : The Great War and the Birth of the ...

Overview. Modris Eksteins's 1989 nonfiction book, Rites of Spring: The Great War and the Birth of the Modern Age, takes its title from a scandalous 1913 Russian ballet.Critics believed that the ballet's complex, atonal score, stomping choreography, and the feature of a virginal sacrifice mocked classical ballet conventions.

Rites of Spring Summary and Study Guide | SuperSummary

Rites of Spring: the Great War and the Birth of the Modern Age by Modris Eksteins. Recommendations from our site "What this book does is it views the war as a cultural phenomenon, rather than a military phenomenon. Eksteins is a cultural historian who thinks in terms of literature, music, plastic arts, and so on."

00:00: Well, the parachute never looked more like a mushroom than it does right now. I couldn't really see you all in the firelight last night, so this is like seeing you for the first time.

The Rites of Spring - Terence McKenna (Complete Lecture ...

Preface Summary. In the Preface to Rites of Spring, Modris Eksteins states that the book's subject is "death and destruction"; however, the book is also about "becoming" and the great changes that can take place within human consciousness (xiii).Eksteins titled his book after Igor Stravinsky's "iconoclastic" ballet of 1913, The Rite of Spring, which featured a "celebration of ...

Rites of Spring Preface-Act 1 Summary & Analysis ...

Dazzling in its originality, witty and perceptive in unearthing patterns of behavior that history has erased, RITES OF SPRING probes the origins, the impact, and the aftermath of World War I -- from the premiere of Stravinsky's ballet The Rite of Spring in 1913 to the death of Hitler in 1945. "The Great War," as Modris Eksteins writes, "was the psychological turning point . . . for modernism ...

Rites of Spring: The Great War and the Birth of the Modern ...

The Great Rite . In some (although certainly not all) traditions of Wicca and Paganism, sacred sex is part of spiritual practice. Wicca in its original form, as envisioned by Gerald Gardner, is first and foremost a fertility religion, so it's understandable that at some point you may encounter some references to sexual acts, whether they be actual or implied.

The Great Rite and Pagan Ritual Sex

Fussell's Great War is a big collection of data put together to make sense of a senseless war. Eksteins' Rites of Spring, on the other hand, it's the chronicle of a difficult birth, the birth of an epoch. What I have said doesn't mean that one book is better than the other. Instead it means that they are complementary works.
