The 7 Basic Principles of Classical Ballet | The Ballet ...

Classical ballet, also called romantic ballet, system of dance based on formalized movements and positions of the arms, feet, and body designed to enable the dancer to move with the greatest possible agility, control, speed, lightness, and grace. Classical-ballet technique is based on the turned-out position of the legs, which increases the range of movement through added mobility in the hip joint and also imparts a more pleasing line to the extended leg.
