The History of Scepticism from Erasmus to Spinoza: Popkin ...

Among the Greeks the earliest form of philosophical speculation was directed towards an explanation of natural phenomena, and the contradictory theories which were soon evolved by the prolific genius of the Greek mind, inevitably led to Scepticism. Heraclitus, Parmenides, Democritus, Empedocles, Anaxagoras, though differing on other points, one and all came to the conclusion that the senses, whence they had derived the data upon which their theories were built, could not be trusted.
