This story tells the highlights of a boy's life as he trains to be a knight. First, he trains as a page, and then a squire. The pages are covered in large, full-color pictures, which are lovely; the story, though is a bit basic. Still, it's not a bad overview of the life of a medieval knight.

Amazon.com: Customer reviews: The Making of a Knight

Fans of A Knight's Tale who watched all the way to the end know that after the credits roll, there's a half-minute scene with William's team (Chaucer the herald, Kate the Blacksmith, and Roland and Wat the squires) where they have a farting contest. This scene was improvised, suggested by the actors themselves, who had grown to be quite friendly. Director Brian Helgeland had to fight to keep ...
