One of the most respected professionals in the wine industry-Ron Jackson, author of Wine Science (now in its second edition)- covers all practical and theoretical aspects of wine tasting in his new book. It details the basic techniques used by professionals to sense all visual, gustatory, and olfactory wine properties (sight, taste, and smell).

Wine Tasting: A Professional Handbook - Ronald S. Jackson ...

An employee handbook is an important part of your training schedule. The handbook provides employees with a written guide to follow and refer to when they may have forgotten. Creating an employee handbook can be a lot of work, which is why many businesses do not have a comprehensive handbook. My suggestion is that you [...]
